

FOX GLOBAL INVESTMENT FORUM

March 21-22, 2023
Dallas, TX & Virtual

At the heart of every family office is one goal – to sustain wealth for generations to come. Over the course of two days, join fellow family office investment professionals to gather and discuss the latest global investment themes, markets, economies, and more.

Private investing areas such as real estate and hedge funds will be explored. The forum will provide an opportunity to develop meaningful investing relationships with peers from FOX families through an exchange of ideas and discussions.

"The FOX Global Investment Forum addresses risks and opportunities in the current investment environment – and goes beyond this to focus on issues of interest to families with generational wealth including the role of values-based investing."

KEYNOTE SPEAKERS

Jeffrey Kleintop, CFA
Managing Director,
Chief Global Investment
Strategist, Charles
Schwab

Jeffrey Kleintop is responsible for analyzing and discussing international markets, trends, and events to help U.S. investors understand their significance and financial implications. Mr. Kleintop is frequently cited in a range of national media outlets and is a regular guest on high-profile news networks. Mr. Kleintop has been cited in The Wall Street Journal as one of “Wall Street’s best and brightest”. Mr. Kleintop is the author of the investing book Market Evolution: How to Profit in Today’s Changing Financial Markets, published by John Wiley & Sons.

Joe Dowling
Global Head of BAAM,
Blackstone

Joe Dowling oversees and leads all of BAAM’s investment activities. Prior to joining Blackstone, Mr. Dowling led Brown University’s endowment, including as Chief Executive Officer from 2018 to 2020 and Chief Investment Officer from 2013 to 2018. Mr. Dowling also served as interim Chief Financial Officer of the University from 2019 until 2020, leading all finance and treasury functions as well as cash and debt management. Before joining Brown University, he was the Founder and Chief Executive Officer of Narragansett Asset Management, where he managed funds for institutions, pension funds, and endowments.

FEATURED SESSIONS

2023 Global Macroeconomic Outlook

Join FOX as we kick off the 2023 forum with Jeff Kleintop, Charles Schwab’s Chief Global Investment Strategist. Jeff will lead us through the ever-changing landscape of global economies, economic trends, and a cadre of other influences impacting family office investors. Explore and understand influences from inflation, global recession, and war in Europe to other key components impacting future risks and opportunities.

Examining the Impact of Fundamental Global Investment Themes

Panelists will discuss two highly relevant post-pandemic investment themes, Supply Chain and Energy. Join industry experts as they walk through the current state of these highly disrupted industries, key drivers and pitfalls impacting potential investment opportunities, and where families could find long term potential and harness these disrupted and dynamic industries.

FEATURED SESSIONS

Family Office Chief Investment Officer Perspectives: Investing Globally

Join Miguel López de Silanes Gómez as he explores how dynamic global markets and geo-politics have impacted global family office CIO's from around the world. Learn how panelists navigated 2022 through both their local and regional investing lens as well as beyond their respective borders. Learn what is shaping their thinking and better understand where they see risk and opportunity.

Unpacking the Middle Market M&A Landscape

Join a panel of leading lower and middle market M&A professionals as they cover market updates, M&A trends, and insights into the private equity and debt markets. Our panelists will explore how market conditions and global considerations are impacting private equity and what the road ahead might look like for family investors.

Virtual Fireside Chat: The Road Ahead for Global Investing

Join an experienced global asset allocator for a virtual fireside chat exploring the global macro investing environment at large. Understand which strategies performed best in 2022, including hedge funds, and further, which strategies are best poised to perform well in a period of high volatility and uncertainty, and how these strategies should be deployed within family portfolios.
