

**FOX
Technology
Showcase**

Sept. 10-12, 2024
New Orleans, LA

**Hear from tech leaders
and visionaries in the
family office industry as
technology continues
to evolve at an
unprecedented pace.**

Connectivity, integration, and next-generation computing are driving changes those involved with family office operations and technologies need to know.

Experience demonstrations from leading vendors focused on family offices and wealth management.

“Great opportunity to network and get a pulse of what is in the market and related technology trends.”

TECHNOLOGY SELECTION WORKSHOP

Join us in New Orleans September 9, in advance of the FOX Technology Showcase beginning September 10, and maximize your ability to ask the right questions and meet the right vendors.

Learn how to best assess your technological needs, select the right systems, and effectively implement change in your office. This workshop will be led by FOX's Kent Lawson, CTO, Consultant, and Subject Matter Expert on Family Office Technologies. Kent will be joined by a variety of thought leaders in the family office technology space.

To see the full agenda and register, visit us online at familyoffice.com/TSW24 or contact us at events@familyoffice.com.
