

# FOX RISING GEN FORUM™

MAY 5-6, 2019 | THE JOULE | DALLAS, TX

Our Spring event offers next generation family members a place to connect and build community with like-minded peers looking to engage in learning, shared experiences, and to develop skills as future family leaders. Family members in their 20s, 30s, and early 40s, who are aspiring leaders within their family's enterprise are invited to attend.

At FOX, we have found that a commitment to learning is a key characteristic for leaders. Many successful leaders are continuous learners who are driven to innovate through their innate curiosity and sense of discovery. Participants will:

- Learn how to effectively navigate challenging family conversations
- Understand the key components of a personal learning plan and begin to shape your own learning goals

- Strengthen your understanding of a complex family financial picture with practical information tailored to meet your own level of financial knowledge
- Create a personal brand statement that will succinctly articulate your unique gifts and what you bring to the family table

Along with the learning experience, participants will have the opportunity to build relationships with peers through roundtable discussions, shared meals, and other networking opportunities.
