

FOX RISING GEN VIRTUAL FORUM

FOX Rising Gen Virtual Forum
October 7-8, 2020

"...a wonderful opportunity to meet fellow FOX Rising Gen members, connect over common issues and life situations, and build lasting friendships."

– 2019 Attendee

The **2020 FOX Rising Gen Virtual Forum** is an opportunity for family members in their 20's, 30's, and 40's to connect, build relationships, and have authentic conversations with peers in similar situations. Participants learn, make genuine connections, and explore best practices in navigating the unique challenges facing wealthy families.

The FOX Rising Gen Virtual Forum offers an interactive and engaging environment to focus on thought-provoking topics:

- Understand how one family member turned his curiosity and passion for exploration into OceanGate, a company that builds deep ocean submersibles and offers a chance to take an expedition of a lifetime.
- Dive into the concept of resiliency, and what it takes to recover when something doesn't go the way you've planned.
- Learn from a well-regarded investment consulting firm about the risks and rewards of investing in newer alternative assets like cryptocurrency, cannabis, and technology. We will also discuss the recent pandemic and how you as Rising Gen family members can use your resources to contribute to making this world a better place.
- Breakout sessions featuring FOX subject matter experts on: Direct Investing, Family Boards, Cybersecurity, Virtual Family Meetings, and Foundations and Influence on Family Philanthropy.
- Join your fellow Rising Gen community for a virtual happy hour, where we'll connect in ways that will allow you to get to know each other, exchange ideas and learn from each other.

KEYNOTE SESSIONS

EXPLORING THE DEPTHS OF A PASSION FOR BUILDING BUSINESS

Stockton Rush
CEO, OceanGate

After pursuing a career in the skies – at 19, he was the youngest licensed jet transport pilot – and as a tech investor, Stockton Rush turned his curiosity and passion for exploration into OceanGate, a company that builds deep ocean submersibles and offers researchers and citizens alike a chance to take an expedition of a lifetime. We will hear his pioneering story about innovation, design, and a desire to push boundaries in exploration of some of the world's deepest ocean sites.

EXPLORING NEW SKILLS

CONSTRUCTING MEANINGFUL AND IMPACTFUL INVESTMENT PORTFOLIOS PANEL

Michael P. Hotz, CFA
Vice President, Asset Consulting Group

Katherine Kroll
Senior Institutional Sustainable Investing Specialist,
Brown Advisory

Whether in the form of investment themes like cannabis, cryptocurrency and artificial intelligence - or a values-based ESG approach, investors today have more opportunities than ever before. A well-regarded investment consulting firm will lead an interactive discussion about how to effectively integrate your personal values, beliefs and interests into your investment portfolio.

RESILIENCE & RECOVERY IN UNPRECEDENTED TIMES

Bill Lyons
Senior Director, Institute for Family Culture,
Abbot Downing

In the face of a Global Pandemic and the economic and social volatility of the past year, principles of resilience and recovery are in the forefront of our thinking about wealth management and generational succession. Throughout history, these principles have been at the core of wealth creation and wealth transfer. Capacity to identify change, respond to challenges, take action and learn from experience have been essential to sustain wealth across generations. Reflecting on history, personal experience and examples from families of unique wealth allow us to identify lessons that enhance our skill and capacity to recover from setbacks, adapt to change and lead in the face of adversity. In this interactive session, Bill Lyons, Senior Director with Abbot Downing's Institute for Family Culture, will share six domains of resilience and recovery, facilitate a dialogue about your definition of resilience, share stories, best practices and tools to foster resilience and recovery in unprecedented times.
