

FOX FAMILY OFFICE DESIGN WORKSHOP

Building and Enhancing Your Family Office

June 12-13, 2018 | The Gleacher Center | Chicago, IL

Drawing on almost 30 years of experience and using our proprietary Family Office Blueprint™ process, FOX presents the Family Office Design Workshop designed for families thinking about developing and improving their family office.

Families and executives who are thinking about being more strategic and professionalizing their family office want to do it right. They want to know what steps to take, when to take them, and how to avoid costly mistakes and setbacks. Many can't see down the road or know what component pieces will be needed to devise a family office and family enterprise strategy.

This comprehensive, two-day workshop addresses issues—strategic and tactical—that family members and family office executives need to understand:

1. Family Office Overview
2. Governance Structure and Oversight of the Family Office
3. Scope of Services and Delivery
4. Talent and Team Structure
5. Technology and Data Security
6. Costs of the Family Office
7. Next Steps in the Design Process
8. Best Practices and Measures of Success

The workshop includes the sharing of FOX proprietary concepts, practical solutions, and incorporates data from our 2017 family office benchmarking survey. The program will be interactive, including presentations and discussion by senior facilitators and networking with your peers.

Family members and family office executives are encouraged to attend. We look forward to seeing you and your peers on June 12-13 in Chicago for this intimate workshop.

9:00 am **Family Office Overview**

Speaker: Charles B. Grace, III,
