

Wheels Up is a comprehensive private aviation solution designed for those who place a high value on convenience and require ultimate flexibility. Through its innovative membership model, Wheels Up provides individuals, families and businesses with guaranteed access up to 365 days a year to a members-only fleet of private aircraft and more.

A WHEELS UP MEMBERSHIP MEANS:

- A turn-key solution that doesn't require ownership of a depreciating asset
- No long-term commitment—only a reasonable one-time membership fee with annual dues starting in year 2
- Up to 365 days of guaranteed access to a members-only fleet of over 90 aircraft with as little as 24 hours' notice
- Access to 1,000+ safety-vetted and verified partner aircraft, including many instant-book options—with real-time pricing—via the Wheels Up Charter Marketplace
- A flexible pay-as-you fly option that allows members to pay fixed hourly rates for time flown only
- Peace of mind knowing that Wheels Up sets the safety standards for its operator and pilots, both of which far exceed FAA requirements
- Dedicated account management and a 24x7 Member Services team
- An exclusive suite of lifestyle benefits that enhance a member's time on the ground
